Important Note with regards to "**Repatriation of Funds - Sale of Shares acquired under OPI / ESOP**"

Any unspent / unused forex amount (unless reinvested) / proceed of OPI including the shares acquired under ESOP/RSU/ESPP scheme, should be repatriated immediately within a period of 180 days, from the date of realization or date of return to India, as the case may be. [refer to: [Foreign Exchange Management \(Realization, repatriation and surrender of foreign exchange\) Regulations, 2015; dated February 04, 2016, Circular No.46/2015-16 \[\(1\)/9\(R\)\]](#)].

If funds are repatriated, post aforementioned period will be considered as breach of regulatory guidelines & such inward credit needs to be reported to RBI for regularization before processing. Once the contravention is cleared by the RBI, such inward transactions can be processed / credited to beneficiary's account.

In the above context, additional documents / information may be asked by RBI to evaluate the case (like, acknowledgement of annual reporting done by the Indian company at the time of allotment in case of ESOP / share allotment details, etc.); the same needs to be provided by the customer.

OPI – Overseas Portfolio Investments

ESOP – Employee Stock Option Plan, **RSU** - Restricted Stock Unit, **ESPP** - Employee Stock Purchase Plan

Note:

- The document checklist is updated as on 12th Jun 2025.
- Disposal Instruction (DI) form may be requested, if applicable, by the branch for processing the transaction. [Click here](#) to get the format.
- This checklist may be modified as per the internal policies / regulatory guidelines from time to time. Always refer to the website for the latest checklist and submit the documents accordingly for processing.
