

PLANNING A TRIP

1. What is a Forex Card?

Forex Card is an easier and more secure option of handling your Foreign Exchange while travelling abroad. Much like a regular bank (Credit/Debit) card, Forex Card can be used to pay for your expenses in a local currency abroad and withdraw cash from ATMs. The Forex Card is a preloaded card and can be loaded across with multiple currencies.

2. What are the benefits of a Forex Card?

The benefits of a Forex Card include:

- 1) Safe and convenient way to carry currency when overseas
- 2) Various currencies available on a single card, for frequent travellers and/or multi-country tours
- 3) Locked in exchange rates as on loading the card, protecting you from rate fluctuations
- 4) Inclusion of insurance in case of the card being lost or stolen.
- 5) Replacement or delivery of emergency cash/card to the user's overseas location in case of a lost/stolen card.
- 6) Option to retain, encash or transfer currency loaded on a card
- 7) Special Travel offers, CV points and 'Miles' on the loading of currencies and usage

3. Do I need to have an Axis Bank account to purchase the Forex Card?

You don't need an account relationship with Axis Bank to purchase a Multi-Currency Forex Card. You can walk into any nearest [Axis Bank Branch](#) and submit the required documents and get the Multi-Currency Forex Card across the counter. However, if you have an account with Axis Bank, simply, go to [Axis Bank website](#) or Axis Mobile App and apply online in few quick steps.

4. Do I need to apply for the card well in advance?

This card is an 'over the counter' product and you can buy it even on the day of travel or 180 days before your travel, subject to the funds being provided the same day. However, we recommend that you purchase the card a few days in advance to avoid any last minute rush.

5. What all can I use this card for?

Pretty much everything! You can use it for all your holiday requirements like travel bookings, dining, hotel bookings, shopping, duty free shopping, entertainment etc.

6. What currencies can be loaded on the Axis Bank Forex Card?

You can load the Axis Bank Forex Card with the following currencies:

1. USD (United States Dollar)
2. EUR (Euro)
3. GBP (Great Britain Pound)
4. SGD (Singapore Dollar)
5. AUD (Australian Dollar)
6. CAD (Canadian Dollar)
7. SEK (Swedish Krona)
8. JPY (Japanese Yen)
9. CHF (Switzerland Franc)
10. AED (United Arab Emirates Dirham)
11. SAR (Saudi Riyal)
12. THB (Thailand Baht)
13. HKD (Hong Kong Dollar)
14. NZD (New Zealand Dollar)
15. ZAR (South Africa Rand)
16. DKK (Danish Krone)

7. What are the various types of Axis Bank Forex Cards?

Currently, Axis Bank offers 4 variants of the Forex Card to its customers -

- Multi-Currency Forex Card.
- World Traveller Forex Card.
- Axis Bank Club Vistara Forex Card.
- Diner's Card.

8. How long is this card valid for?

The Axis Bank Forex Card can be used for unlimited number of times and for multiple trips. The date of expiry is mentioned on the card.

9. What documents do I need to submit when I purchase or reload the Forex Card through the branch?

You will have to submit a copy of the following documents to Axis Bank Branch along with the [application form](#) for the Axis Bank Forex Card:

Sr.	Document	At the time of Purchase	At the time of Reload
1.	Passport Copy	Mandatory	Already Available - Not Required
2.	Application Form	Mandatory	<ul style="list-style-type: none">Incase of reload through Branch, Reload Form is MandatoryIncase of reload through Mobile App & Internet banking Reload form is not required
3.	Visa	Case to case basis	Same trip not required
4.	Airline Ticket	Case to case basis	Compulsory in case of next trip. Same trip not required
5.	PAN details	Mandatory	Already Available - Not Required

10. What documents do I need to submit when I purchase the Forex Card through the online channel?

Procuring a card from online channel is a simple and paperless journey. You do not need to upload any documents. All you need to do is provide your PAN details, Passport File number and Passport Expiry date.

11. What are the costs and service charges involved at the time of purchase of the card and usage of the same?

Please click here for the [fees and charges](#).

12. Is the card cheaper than other forex options?

Yes. You incur no extra charges when you swipe it for the currency loaded. Which means you save on the minimum 3.5% transaction charges that are usually levied on CREDIT/DEBIT cards, when you use them abroad across POS (point-of-sales).

13. How much foreign currency can I load onto the Forex Card?

The usage of your Multi-Currency Forex Card should be in strict accordance with the regulations of the Reserve Bank of India and FEMA regulations. The amount loaded or reloaded on a card should be done as per the foreign Exchange Management Act, 1999 and prevailing RBI regulations in force. As per those regulations, travellers can carry up to US\$ 2,50,000 or equivalent worth of forex abroad in one financial year.

14. How do I load my card for the first time?

If you are taking the card from an Axis Bank branch, the first time loading on the Forex Card will be done by the branch itself there is a certain documentation and verification process that needs to be followed. In case you avail the card from the online channel, the funding will be done through the online mode. The limit for first loading though online channel is Min Load Amount = 10 USD or equivalent and Maximum Load Amount = 5000 USD or equivalent.

15. Is there any limit to load the card through the Digital channel (Online)?

Yes, the aggregate amount of forex that can be loaded through Internet Banking or Axis Mobile app is up to USD 10,000 or equivalent in other foreign currencies in a financial year. However, you may continue to use other Forex Card services, including viewing the balances, mini-statement and blocking your card, available through the Internet Banking and Axis Mobile App facilities without any interruption even after this amount is exhausted. You may also continue to load your Forex Card up to the amount permitted under the regulations without any restrictions by visiting the nearest Axis Bank branch.

16. Is remote reloading possible on the card?

Yes, you may leave a signed copy of the reload form and authorisation letter with your family or friends. They in turn can approach an Axis Bank branch, and on submission of the documents and receipt of the payment, your card will be reloaded. If you are an Axis Bank customer, you can also load your card via Internet Banking, or through the Axis Mobile App.

17. At what exchange rate can I load currency on the card?

The card is loaded at the exchange rate offered by the bank on that particular day.

18. What all networks are is the card available on?

The Axis Bank Forex Card is available on VISA, Mastercard and Discover.

19. Do I need to activate my card for performing e-commerce transactions?

E-commerce and contactless transactions on the card are disabled when the card is issued and per security features. You can at any point of time enable or disable the channel and also increase or decrease the limit for the same through Internet Banking, Mobile app, Axis Prepaid Card Portal. Alternatively, you may also visit any nearest Axis Bank Branch for the same. We request you to enable the channels before using the card.

20. When can I start using the card?

You are advised to:

- You can commence the usage of the card once the same is activated. The card activation takes one business day provided all documents required for regulatory due diligence are successfully verified
- Ensure that you receive the PIN and sign on the signature panel at the back of the card
- Change the PIN and check the balance on the card at any Axis Bank ATM before your departure from the country

21. What is my PIN?

Your PIN (Personal Identification Number) is a unique 4 digit secure number assigned to your card and known only to you. It allows you to withdraw cash from VISA/VISA Plus / Mastercard ATMs worldwide and is occasionally also required at the time of transactions. This PIN can be changed (only) at an Axis Bank ATM in India.

22. What is the Contactless Forex Card?

Contactless Multi-Currency Forex Card is a fast and convenient way to pay for every day purchases. It has a secure, contactless chip technology designed to help you spend less time at the cash counter and give you the freedom to do the things that matter the most to you. This card is powered by payWave technology supported by VISA which allows you to pay by simply waving your card.

23. Is there a maximum transaction value limit on a contactless transaction?

The contactless transaction limit is normally below USD 100 per transaction. However this may vary as per each country's regulation. Card user can check the limit with the merchant before usage. In case the transaction amount is greater than the permitted transaction limit, merchant would swipe/ dip the card in the normal POS terminal.

24. What if the retailer doesn't have a contactless reader?

The Axis Bank Contactless Multi-Currency Forex Card can also be used as a normal chip card and would have all the features that are available on the Multi-currency Forex Card.

25. Are there any offers on my card?

For offers on the card kindly [click here](#)

26. What about Insurance Cover?
