

Cashback Terms & Conditions – *FLIPKART AXIS BANK* Credit Card

Definitions: For the Flipkart Axis Bank Credit Card, the following terms shall, unless the context otherwise admits, shall have the following meanings:

- **Cashback** shall mean money awarded in the customer’s credit card account under the cashback scheme.
- **Preferred Merchants** shall include certain merchants on which the cashback earnings shall be 4%. These merchants can change at the bank’s discretion.

The cashback will be processed according to the following table:

Spends on	Cashback
Flipkart*	5%
Preferred Merchants**	4%
Other eligible merchants	1%

* Valid on the website as well as mobile application of Flipkart excluding Flipkart Health and Flipkart Flights & Hotels

** Preferred merchants and their respective offers are subject to change from time to time without any prior notice.

- Cashback shall not be eligible for following spends/transactions on the card - fuel spends , purchase of gift cards on Flipkart & Myntra, EMI transactions , purchases converted to EMI post-facto, wallet loading transactions ,purchase of jewelry items , insurance services, utilities, educational services, payments towards government services, cash advances, rental payments, payment of outstanding balances, payment of card fees and other card charges.
- Please note that only transactions made towards Food Delivery on Swiggy App shall be eligible for accelerated cashback. Transactions made on ‘Instamart’, ‘genie’ etc. shall not be eligible for accelerated cashback.

For eg. If the customer spends Rs. 50,000 in a billing cycle with the following break up of spends –

- Flipkart: Rs. 10,000 | Preferred Merchants: Rs. 5,000 | Other spends: Rs. 35,000
- Out of these “Other spends”, Rs. 10,000 was an EMI purchase.
- Thus, the total spends eligible for cashback would only be Rs. 10,000 + Rs. 5,000 + Rs. 35,000 – Rs. 10,000 (EMI transaction) = Rs. 40,000

The cashback for the billing cycle in example would be calculated as follows:

5% of Rs. 10,000 = Rs. 500

4% of Rs. 5,000 = Rs. 200

1% of Rs. 25,000 = Rs. 250

Thus, the total cashback for the example would be Rs. 500+200+250 = Rs. 950

- Non-customer initiated payment/credit such as Merchant refund/cashback/charge reversals etc. received into the credit card account will **not** be considered as a payment towards the outstanding of the card. However, such credits will be considered to compute the subsequent month's dues.
- Cashback earned for the purchases during the current billing cycle will be credited in the next billing cycle 3 days prior to the statement generation date i.e. if the statement date is 15th March, cashback earned in the Feb month cycle (16th Jan-15th Feb) will be credited on 12th March.
- Cashback earned will be computed based on spends during the statement period minus any returns or refunds during the same period.
- In case the purchase/ transaction is returned/ cancelled/ reversed post statement generation date, cashback toward such transactions will be debited on the date of such purchase/ transaction reversal.

Axis Bank may enquire with you over phone or through any other means of formal communication and seek details, information, proofs, etc., about the Credit Card transactions, pattern of usage, etc. Non- satisfactory responses or no responses from the Cardholder may lead to blocking/closure of the Credit Card by Axis Bank
- Use of the Card at Merchant Establishment will be limited by the credit limit assigned to each Card Account by the Bank.
- The Bank may, at any time without prior notice, or stating any reason whatsoever, refuse authorization for a Charge at a Merchant Establishment, and / or restrict or defer the Card member's ability to use the Card and / or suspend or cancel the Card. The Bank through the ATM, Merchant Establishment, by itself may repossess / retain the Credit Card, if it reasonably believes that it is necessary to do so for proper management of credit or business risk, or if the Card or Card Account is being misused or likely to be misused.
- Nothing contained in the cashback proposition shall be construed as a binding obligation on Axis Bank or any participating Merchant Partner to continue the Cashback Scheme after the Scheme Termination Date or to substitute the Cashback Scheme by a new or similar scheme.
- Cashback is not applicable on transactions less than Rs. 100.
