# Directors' Report

Dear Members,

The Directors of Axis Pension Fund Management Limited ("your company" or "the Company" or "Axis PFM") are pleased to present the **Third** Directors Report on the business and operations of your Company for the Financial Year ended March 31, 2025 ("Financial Year").

## OPERATIONS AND BUSINESS OVERVIEW

During FY 2024-25, your Company has witnessed rapid growth in total Assets Under Management ('AUM'). As on the close of financial year, the AUM of your Company was ₹ 8,854.17 Crores, as compared to ₹ 2,197.45 Crores as on March 31, 2024, registering a growth of 303%. The total subscriber base as on the end of financial year stood at 3,19,135 as compared 1,07,576 subscribers at the end of previous financial year, registering an annual growth of 197%.

As on March 31, 2025, your Company is ranked sixth in terms of AUM, and fifth in terms of overall subscriber base amongst all Pension Funds. The overall market share of your company has increased from 1.2% to 3.3% as on March 31, 2025 (excluding Government Sector subscribers). In terms of new subscriber addition, your company market share has grown from 9.1% to 14.6% over the year.

Out of the total AUM of ₹ 8,854.17 Crores, the total asset mix is mentioned in the below table:

In ₹ Crores

Scheme / Asset Class	Tier-I	Tier-II
Equity	3,365	14.0
Corporate Debt	2,269	4.6
Government Debt	3,191	7.0
Alternative Investments*	3.4	-
Tax Saver Tier-II**	-	0.2

\*Available only for Tier-I accounts

\*\*Available only for Government sector subscribers. Investments in the scheme are made across multiple asset classes in accordance with the Investment Guidelines

The performance of each scheme during FY 2024-25 is summarised in the below table:

Scheme / Asset Class	Tier-I	Tier-II
Equity	7.03%	8.27%
Corporate Debt	9.20%	8.63%
Government Debt	9.51%	9.64%
Alternative Investments	7.49%	-
Tax Saver Tier-II	-	6.52%

## INDUSTRY OVERVIEW AND MARKET OUTLOOK

### Industry Overview

As on the end on FY 2024-25, the Total Subscriber base under NPS stood at 66.52 lakhs under the private sector model. The AUM under Retail and Corporate sector has grown from ₹ 1.78 lakh Crores in FY 2023-24 to ₹ 2.67 lakh crores in FY 2024-25 registering a growth of more than 50%. The overall AUM of the industry, including AUM of Central and State Government employees stands at ₹ 12.6 lakh Crores as on March 31, 2025.

**Equity: Review and Outlook**

After a strong FY 2023-24, the year under review was a year of two-halves in terms of market performance. The previous year's rally continued in the first half of the year, but was followed by a correction in the second half (particularly sharp in some individual stocks and in the broader market) before a relief bounce back in the last month of March 2025. It was a year which witnessed a much smaller margin of victory for the alliance at the Centre in the Lok Sabha elections, and also a year which saw an increase in capital gains taxation being announced in the July 2024 budget. The market digested both these events and continued to rally in the first half of the year. The market started faltering only subsequently, when corporate earnings started to disappoint, and therefore the high valuations pursuant to a six-quarter up-move were difficult to justify.

It was a year which witnessed large selling by foreign investors (approximately \$14 Billion) but an even larger buying by domestic institutions (approximately \$71 Billion higher than the summation of their purchases in the preceding 2 years) as retail investors continued to invest in equities (with a surprising resilience even after successive months of market weakness).

Valuations in India relative to China, stronger US markets, and weakness in currencies relative to the USD have contributed to the continuing correction. The primary factor for the correction since October 2024 though, has been the disappointment in corporate earnings. We are continuing to see downgrades to earnings estimates. 3-year CAGR of earnings estimates (FY 2024-2027) are now lower at about 11% (from close to 14% a couple of quarters ago), and therefore valuations continue to be at a premium to earnings growth. At 23,500 levels, the Nifty 50 index quotes at 20x expected earnings of FY2025-26, and 18x of FY2026-27.

Private sector capex may not pick up in FY 2025-26 due to the uncertainty in terms of global demand and trade, and concerns on dumping in India. Some relief from lower crude oil prices (which have now dipped below \$70 per barrel, due to concerns on global growth) and measures from RBI to boost liquidity and support growth with lower interest rates, are positives. A global slowdown, risk-off sentiment and a prolonged delay in terms of negotiations on the tariff front, are negatives, as we enter this new financial year.

Over the course of the year FY 2024-25, we have maintained a diversified portfolio with a fair representation to the top 50, 51<sup>st</sup>-100<sup>th</sup> and 101<sup>st</sup> to 200<sup>th</sup> stocks within the universe of stocks permitted by the NPS Trust. In the second half of the year though, we slightly reduced the number of stocks from 91 in September 2024 to 79 stocks in March 2025 taking into consideration the narrowing of the market. The active weight in the portfolio has continued to be in the 30-35% range.

While the equity market bounced back sharply in the month of March, we have commenced April 2025 on a very weak note with the announcements of large tariffs on various countries including India, by the US. While the final outcome post negotiations could be much lower tariffs than the 26% announced, there could be continued weakness in the immediate term (next few months) till we have a clarity on the impact on global growth (the direct impact on India itself is not very high due to the level of goods exports to the US not being very high, but the second order impact due to impact on global growth could be higher). Higher spending/investments post the tax cuts announced in the Budget are expected to reflect commencing from May/June and domestically oriented sectors may provide support for the markets. Coupled with the final picture on tariffs also possibly known by then, we could see the markets recovering from lower levels as we progress during FY 2025-26.

**Debt: Review and Outlook**

GDP growth in India in FY 2025-26 is estimated to be in the range 6-6.50%, and is likely to be the third successive year of 6% or higher growth rates. Although strong, it could undershoot the estimates which have been based on the expectations of a strong domestic demand, monetary easing and the revival of private sector capex. A lower global demand for exports, Chinese overcapacity, uncertainty around US trade policies, domestic factors like fiscal tightening and slower consumption growth could be the dampening factors.

The Government delivered a Union Budget which did not stray from its committed path of fiscal consolidation, as it announced curtailment of the fiscal deficit to 4.4% in FY 2025-26 (as against Revised Estimates of 4.80% in FY 2024-25 and 4.50% committed as per fiscal roadmap for FY26). The net market borrowing of approximately ₹ 11.54 lakh crore is lower than that of previous fiscal. Globally, inflation has been moderating, though it remains above the targets of major central banks, amidst both resilient growth and labour markets. The US Federal Reserve has reduced rates to the tune of 100 basis points in FY2025 after raising rates by 525 basis points since March 2022. RBI too, in light of evolving domestic macro conditions has initiated its own easing cycle. We expect an easing cycle of a cumulative 100 bps, including the 25 bps cut announced in February 2025, and another cut of 25 bps announced in early April 2025. The RBI appears to be now

committed to durable liquidity and easing regulatory burden on banks, which should help credit growth. Further, the shift in policy stance in April 2025 from neutral to accommodative is an important indication for the way forward. The 10-year US treasury yields have already retraced half of their fall and now quoting at 4-4.20% range, and domestic 10-year yields too have eased to 6.40-6.50% range.

The Indian economy is poised to fare relatively better than most other global economies in FY 2025-26 as well, with interest rate cut cycle having commenced, and with domestic consumption expected to pick up. The risks stem from external factors in terms of the global slowdown. The Monetary Policy Committee (MPC) had raised the repo rate by 250 basis points from 4% in April 2022 to 6.5% in February 2023 with a long pause thereafter before initiating a reduction in rates.

One of the highlights of the year was the inclusion of Indian bonds in the JP Morgan bond index which resulted in large FII inflows in Indian bonds. Over the course of FY 2024-25, we have witnessed a fall in yields for 10-year Government of India ('Gol') bonds from 7.06% to 6.60%, and a fall in yields for 40-year Government of India bonds from 7.15% to 6.98%. The current 10-year yields at around 6.40-6.50% still appear reasonably to have priced in most of the positives. We expect rates to trade in the lower end of range of 6.30%-6.50% on the 10-year Gol bonds, with the supply of Gol bonds being offset by OMO purchases by RBI & rate cut buoyancy lifting markets. Key monitorable areas will include crude oil prices, inflation & pace of economic recovery, geopolitical concerns and corporate profitability.

Corporate spreads over the risk-free rates (Government securities) have normalised now. We continue to favour PSUs and top-quality corporates (largely AAA with some quality names in the AA+ and AA space). Our credit universe comprises of corporates who are leading names in respective industries.

### KEY REGULATORY CHANGES

The financial year under review saw a significant effort from the Government towards resolution of the demand for restoration of the Old Pension Scheme as a new Unified Pension Scheme ('UPS') was introduced incorporating key features of the NPS whilst retaining a guaranteed payout of pension for Government employees. The PFRDA vide a notification dated March 19, 2025 notified operationalisation of the UPS within the NPS. Pursuant to the UPS, the Government employees would be allowed to choose a pension fund manager to manage their individual pension corpus or choose a default option as decided by the PFRDA. While your company has not yet been appointed as one of the pension funds' under the default option, we are confident of achieving considerable growth in our AUM in FY 2025-26.

Additionally, the Central Government vide a notification on April 5, 2025 has constituted a Committee to decide on investment pattern for the pool corpus under the UPS, and the Committee shall publish its first recommendations by mid-June 2025.

### FINANCIAL PERFORMANCE

The financial performance of the Company as per IND AS is summarised as under:

Amount (in ₹ Lakhs)

Particulars	FY 2024-25	FY 2023-24
Income from Investment Management Fees	478.63	72.80
Other Income	521.59	475.36
Total Revenue	1,000.21	548.16
Employee Benefit Expenses	942.68	911.05
Depreciation	165.14	161.46
Other expenses	302.87	263.76
Total Expenses	(1,413.26)	(1,344.03)
<b>Loss for the year</b>	<b>(413.05)</b>	<b>(795.87)</b>

### CHANGE IN NATURE OF BUSINESS, IF ANY:

During the financial year, there has been no change in the business of the Company.

## DIVIDEND

Since your Company yet to turn profitable, the Directors do not recommend any dividend for FY 2024-25.

## TRANSFER TO RESERVES

Since your Company has not turned profitable, the Directors do not propose any amount to be transferred to Reserves.

## SHARE CAPITAL

The Authorised Share capital of your Company stands at ₹ 100,00,00,000 (One Hundred crores) comprising of 10,00,00,000 (Ten crore) equity shares. As on March 31, 2025, the issued, subscribed and paid-up share capital of your Company was ₹ 80,00,00,000 (Rupees Eighty Crores) comprising of 8,00,00,000 (Eight Crore) equity shares of ₹ 10 /- each fully paid-up.

The shareholding pattern is as under: -

Name of Shareholder	Percentage of shareholding
Axis Asset Management Company Limited	51.00000
Axis Bank Limited	9.022027
QRG Investments and Holdings Limited	19.99000
MEMG Family Office LLP	19.99000
<b>TOTAL</b>	<b>100.00000</b>

The Company has not issued any bonus shares, sweat equity shares and shares with differential voting rights during FY 2024-25.

## HOLDING, SUBSIDIARIES, JOINT VENTURE & ASSOCIATE COMPANIES

### Holding Company

Your Company is a direct subsidiary of Axis Asset Management Company Limited, and a step-down subsidiary of Axis Bank Limited ("Axis Bank"), thereby the Bank becoming the ultimate Holding Company of your Company. The Equity Shares of Axis Bank are listed on the BSE Limited and the National Stock Exchange of India Limited.

### Subsidiary Company/Joint Ventures/ Associate Company

Your Company does not have any Subsidiary Company, Associate or Joint Venture Company.

## DEMATERIALISATION OF SHARES

As on March 31, 2025, the entire paid-up equity share capital of your Company comprising of 8,00,00,000 Equity Shares is held in dematerialised form.

## PUBLIC DEPOSITS

During the year under review, your Company has not accepted any deposits from the public falling within the ambit of section 73 of the Companies Act 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

## PARTICULARS OF LOAN GIVEN, INVESTMENT MADE, GUARANTEES GIVEN OR SECURITY PROVIDED

During FY 2024-25, your Company has not given any loans and guarantees which attract the provisions of Section 186 of the Act. For the particulars of investments made during the year, please refer Note No. 5 of Notes to Accounts.

## CONSERVATION OF ENERGY & TECHNOLOGY ABSORPTION

Since the business activities of your Company do not pertain to manufacturing, your Company does not have any disclosures under Rule 8(3)(A) and Rule 8(3)(B) of the Companies (Accounts) Rules, 2014.

## FOREIGN EXCHANGE EARNING AND OUTGO

Your Company did not have any Foreign exchange earnings or expenses during the financial year ended on March 31, 2025.

## EMPLOYEE STOCK OPTION PLAN

Your Company has neither approved, nor proposed to approve, a scheme of Employee Stock Options. However, certain executives of the Company may be granted Employee Stock Options by Axis Bank Limited, the ultimate holding Company, pursuant to a Scheme approved by its Board and Members.

## RISK MANAGEMENT

Pursuant to the PFRDA (Pension Fund) Regulations, 2015, your Company has put in place a robust Risk Management framework with an objective of managing all risks that may impede the company's ability to achieve its business goals and strategic objectives.

The Risk Management function is an independent unit within the organization which is headed by the Chief Risk Officer who directly reports to the Managing Director & Chief Executive Officer. The Risk Management function is responsible for identification, measurement, monitoring and reporting of enterprise-wide risks. Your Company has also constituted a Risk Management Committee to lead risk management initiatives through policies and directions. The Board of Directors through the Risk Management Committee has the overall responsibility for risk management. The Risk Management Committee oversees the overall risk profile of the company, including market and credit risk profile as well as liquidity and operational risk metrics.

The Company has put in place a Risk Management Policy, which lays down the framework for effective risk management and governance. The Policy is reviewed by the Risk Management Committee and the Board on a semi-annual basis. The Company has also put in place a Board- approved Stop Loss Policy, to provide for a safeguard mechanism against capital erosion of subscribers' funds.

## CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

All transactions with related parties entered into during the financial year were in the ordinary course of business and were on arm's length. The Audit Committee has approved all transactions with related parties during the financial year under review. A list of transactions during the year are disclosed in Note No. 39 of Notes to Accounts forming part of financial statements.

## INTERNAL FINANCIAL CONTROL

Your Company has in place internal financial controls which are commensurate with the size and nature of business of your Company.

## INTERNAL AUDIT

Your Company has appointed M/s. Suresh Surana & Associates, Chartered Accountants, as Internal Auditors pursuant to the requirement emanating out of the Companies Act, 2013 and the PFRDA (Appointment of Internal Auditors) Guidance Note, 2013. The Internal Auditors have been appointed for a period of three years effective from October 1, 2022, and their term shall expire on September 30, 2025. The Board shall commence the process for appointment of new internal auditors in the first quarter of FY 2025-26.

The scope of Internal Audit has been approved by the Audit Committee and the Board of Directors, and is in accordance with the PFRDA (Appointment of Internal Auditors) Guidance Note, 2013. The Internal Auditors submit their report on a quarterly basis, which is placed before the Audit Committee and the Board for its consideration.

## DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the provisions of Section 134(3)(c) & Section 134(5) of the Companies Act, 2013, the Directors hereby state that: -

1. in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
2. such accounting policies have been selected and applied consistently and judgments & estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company, at the end of the financial year and of the loss of the Company for that period;

3. proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
4. the annual accounts have been prepared on a going concern basis; and
5. proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

## DIRECTORS AND KEY MANAGERIAL PERSONNEL

### Appointment & Resignation of Directors

As on March 31, 2025, the Board of Directors of our Company ('the Board') comprised of 6 (Six) Directors - 3 (Three) Independent Directors, 2 (Two) Non-Executive Directors, and 1 (One) Executive Director. Your Directors on the Board possess experience and competency and are renowned in their respective fields. All Directors are liable to retire by rotation except Independent Directors whose term of office is of five consecutive years.

During the year under review, there were following changes to the Board of Directors of the Company:

- Ms. Usha Sangwan (DIN 02609263) ceased to be the Director of the Company w.e.f. November 14, 2024;
- Mr. Supratim Bandyopadhyay (DIN 03558215) appointed as an Additional Non-Executive Independent Director on February 7, 2025;

A proposal for appointment of Mr. Supratim Bandyopadhyay as an Independent Director for a term of five consecutive years, not liable to retire by rotation, shall be included in the Notice of the forthcoming 3<sup>rd</sup> Annual General Meeting.

### Retirement by Rotation

Pursuant to Section 152 of the Companies Act, 2013, two-thirds of the Board of Directors of the Company, except for Independent Directors, are liable to retire by rotation at every Annual General Meeting ('AGM'), and one-third of such Directors shall retire at such AGM. Accordingly, Mr. Gop Kumar Bhaskaran (DIN 07223999), Director, retires from the Board by rotation this year and being eligible, offers himself for re-appointment at the 3<sup>rd</sup> Annual General Meeting of the Company.

The Nomination and Remuneration Committee of the Company and the Board of Directors have recommended the re-appointment of Mr. Gopkumar Bhaskaran.

The necessary resolution for re-appointment of Mr. Gopkumar Bhaskaran shall form part of the Notice of 3<sup>rd</sup> AGM.

### Declaration by Independent Directors

Pursuant to Section 149(7) of the Act read with the Companies (Appointment and Qualifications of Directors) Rules, 2014, the Company has received requisite declarations from all Independent Directors of the Company confirming that they meet the 'Criteria of Independence' as prescribed under Section 149(6) of the Act, and that their names are included in the Online Databank of Independent Directors.

In addition to the above, the Board is of the opinion that the Independent Directors of the Company possess relevant experience and expertise, including proficiency, and are persons of integrity.

### Key Managerial Personnel

In terms of the provisions of section 2 (51) and 203 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, your Company has the following Key Managerial Personnel ('KMP'):

1. Mr. Sumit Shukla, Managing Director & Chief Executive Officer;
2. Mr. Shail Deshpande, Compliance Officer & Company Secretary;
3. Mr. Yogesh Trivedi, Chief Financial Officer.

In addition to the Key Managerial Personnel mentioned above, your Company has also appointed Key Personnel in accordance with the PFRDA (Pension Fund) Regulations, 2015, which are mentioned below:

1. Mr. Shyamsunder Bhat, Chief Investment Officer;
2. Mr. Akash Verma, Chief Risk Officer (up to April 11, 2025);
3. Mr. Dhiraj Dubey, Chief Risk Officer (appointment effective from April 15, 2025);
4. Ms. Priyanka Raut, Chief Information Security Officer; and
5. Mr. Prakash Kanase, Head of Investment Operations

### ANNUAL PERFORMANCE EVALUATION

Pursuant to Section 178 of the Companies Act, 2013, your company has evaluated the performance of its Board, Committees of the Board, the Chairperson and each individual Director.

The performance evaluation of the Board was conducted on various aspects of the Board's functioning such as governance, strategic planning, audit, compliance, identification and management of risks. The performance evaluation of the Committees was based on criteria such as appropriate composition, regularity of meetings, quality of discussions / deliberations at its meetings, participation of members, etc. The performance evaluation of Directors was carried out on various criteria such as participation at the meetings, interpersonal relationship with other Directors, providing guidance, knowledge and understanding of areas relevant to the operations of the Company.

To enhance objectivity, an external agency was engaged for performance evaluation to ensure a smooth execution, and provide an eco-system for candid participation of every member of the Board. The external agency together with the Chairperson of the Nomination & Remuneration Committee curated a specific questionnaire for evaluation of various aspects of functioning of the Board, its committees, and the Directors. Responses of all Directors were sought on the questionnaire, which formed the basis of evaluation.

#### Outcome of the evaluation

The Directors were satisfied with the results of evaluation, which reflected the level of overall engagement of the Board and its Committees with the Company.

#### Nomination and Remuneration policy

The Nomination and Remuneration Committee of the Board has been formed to assist the Board in its oversight of nomination and remuneration, inter alia of the Board members and the staff of the Company. The Nomination and Remuneration Policy has been framed to inter alia achieve the following objectives:

- level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors and staff of the commensurate quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- Remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay, reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The Nomination and Remuneration Policy is available on the website of the Company and can be accessed at <https://axispensionfund.com/public-disclosures/policies>.

## MEETINGS OF THE BOARD AND ITS COMMITTEES

### Board Meetings

During FY 2024-25, a total of 4 (four) meetings of the Board of Directors were held on April 15, 2024, July 09, 2024, October 09, 2024, and January 08, 2025. The status of attendance of Directors at the Board Meetings is as follows:

Sr. No.	Name	Designation	Number of meetings eligible to attend	Number of meetings attended	Last AGM Attendance	Sitting fees paid
1.	Ms. Usha Sangwan	Independent Director	3	3	No	6,00,000
2.	Mr. Kedar Desai	Independent Director	4	4	Yes	13,00,000
3.	Mr. U. R. Bhat	Independent Director	4	4	Yes	13,00,000
4.	Mr. Supratim Bandyopadhyay*	Independent Director	NA	NA	NA	Nil
5.	Mr. Neeraj Gambhir	Non-Executive Director	4	4	Yes	Nil
6.	Mr. Gop Kumar Bhaskaran	Non-Executive Director	4	4	No	Nil
7.	Mr. Sumit Shukla	Managing Director & Chief Executive Officer	4	4	Yes	Nil
<b>Total Meetings held during the year</b>				<b>4</b>		

\*Mr. Supratim Bandyopadhyay was appointed as an Additional Non-Executive Independent Director on February 07, 2025.

### Committees of Board of Directors and Management

In accordance with the applicable provisions of the Companies Act, 2013, the PFRDA (Pension Fund) Regulations, 2015, and to enable better and more focused attention on the affairs of the Company, the Board has constituted certain Committees, namely, Audit Committee, Risk Management Committee, Nomination and Remuneration Committee and Investment Committee.

### Audit Committee

In line with the provisions of Companies Act, 2013, the Board of Directors of your Company have constituted an Audit Committee.

As on March 31, 2025, the Audit Committee consisted of the following members:

- Mr. U.R. Bhat, Chairman
- Mr. Kedar Desai, Independent Director
- Mr. Gop Kumar Bhaskaran, Non-Executive Director

During FY 2024-25, 4 (four) meetings of the Audit Committee were held on April 15, 2024, July 09, 2024, October 09, 2024, and January 08, 2025. The status of attendance of the Members at the Audit Committee is as follows:

Sr. No.	Name	Designation	Number of meetings eligible to attend	Number of meetings attended
1.	Mr. U. R. Bhat	Independent Director	4	4
2.	Mr. Kedar Desai	Independent Director	4	4
3.	Mr. Gopkumar Bhaskaran	Non-Executive Director	4	4
<b>Total Meetings held during the year</b>			<b>4</b>	

Further, there were no instances during FY 2024-25 where the Board did not accept recommendations of Audit Committee.

### Nomination and Remuneration Committee

The Board of Directors have constituted a Nomination and Remuneration Committee, to comply with the provisions of the Companies Act, 2013 and ensure better standards of Corporate Governance.

As on March 31, 2025, the Nomination & Remuneration Committee consisted of the following members:

- Mr. Kedar Desai, Chairman

- Mr. U. R. Bhat, Independent Director
- Mr. Gop Kumar Bhaskaran, Non-Executive Director

During the financial year, 1 (one) meeting of the Nomination & Remuneration Committee was held on April 12, 2024, which was attended by all the Members of the Committee as on the date of the Meeting.

### **Risk Management Committee**

The Board of Directors has constituted a Risk Management Committee pursuant to the requirement emanating from Regulation 22(9) read with Schedule X of the of PFRDA (Pension Fund) Regulations, 2015.

As on March 31, 2025, the Risk Management Committee consisted of the following members:

- Mr. U. R. Bhat, Independent Director
- Mr. Gop Kumar Bhaskaran, Non-Executive Director
- Mr. Sumit Shukla, Managing Director & Chief Executive Officer
- Mr. Shyamsunder Bhat, Chief Investment Officer
- Mr. Akash Verma, Chief Risk Officer
- Mr. Shail Deshpande, Compliance Officer & Company Secretary

During the financial year, 4(four) meetings of the Risk Management Committee were held on April 12, 2024, July 08, 2024, October 08, 2024, and January 07, 2025 which were attended by all Members of the Committee.

### **Investment Committee**

The Board of Directors has constituted an Investment Committee pursuant to the requirement emanating from Regulation 22(9) read with Schedule X of the of PFRDA (Pension Fund) Regulations, 2015.

As on March 31, 2025, the Investment Committee consisted of the following members:

- Mr. Kedar Desai, Independent Director
- Mr. Supratim Bandyopadhyay, Independent Director
- Mr. Neeraj Gambhir, Non-Executive Director
- Mr. Sumit Shukla, Managing Director & Chief Executive Officer
- Mr. Shyamsunder Bhat, Chief Investment Officer
- Mr. Akash Verma, Chief Risk Officer

During the financial year, 4(four) meetings of the Investment Committee were held on April 12, 2024, July 08, 2024, October 08, 2024 and January 07, 2025 which were attended by all the Members of the Committee as on the respective dates.

## **GENERAL MEETINGS**

The 2<sup>nd</sup> Annual General Meeting of your Company was held on May 8, 2024, wherein the following special resolutions were passed:

- Approval of revision in remuneration of Mr. Sumit Shukla (DIN 09664032) Managing Director & Chief Executive Officer of the Company; and
- Approval of amendments to the Articles of Association of the Company.

The 3<sup>rd</sup> Annual General Meeting of your Company is proposed to be held on June 2, 2025 at 4:00 p.m. through Video Conferencing / Other Audio Visual Means.

Pursuant to provisions of Section 134(3)(a) of the Companies Act, 2013, the Annual Return in form MGT-7 of the Company for the financial year ended March 31, 2025, is available on the website of the Company and can be accessed at: [www.axispensionfund.com](http://www.axispensionfund.com)

## AUDITORS

### Statutory Auditors and their Reports and Notes to Finance

In accordance with Section 139 of the Companies Act, 2013, M/s. GPS & Associates, Chartered Accountants, were appointed as the Statutory Auditors of your Company by the Board of Directors, who shall hold office till the conclusion of the 6<sup>th</sup> Annual General Meeting of the Company.

The Statutory Auditors Report for FY 2024-25 does not contain any qualification, reservations or adverse remarks.

Further, there have been no frauds detected or reported by the Statutory Auditors' during the financial year under review.

### Secretarial Auditor

Pursuant to the requirements of Section 204(1) of the Companies Act, 2013, read with Rule 9 Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors of your Company has appointed M/s. N.L. Bhatia & Associates, Company Secretaries in Practice, to conduct the Secretarial Audit for the financial year under review.

The Secretarial Audit Report in Form MR-3 received from the Secretarial Auditors is attached as Annexure I, which forms part of this Board Report.

The Secretarial Audit Report does not contain any qualification, reservations or adverse remarks.

### Cost Records and Auditors

The provisions of Cost Records and Cost Audit as prescribed under Section 148 of the Companies Act, 2013 are not applicable to the Company.

## WHISTLE BLOWER POLICY / VIGIL MECHANISM

In compliance with the provisions of Section 177(9) of the Act read with Rule 7 of the Companies (Meetings of Board and its Power) Rules, 2014, the Company has formulated a vigil mechanism for Directors and Employees to report genuine concern as per the Whistle Blower Policy.

## POLICY ON PREVENTION OF SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

As per the requirements of Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, an Internal Complaints Committee has been set up to redress complaints, if any, received regarding sexual harassment. During the year under review, there were no complaints received with regards to sexual harassment.

## SERVICES EXTENDED TO PERSONS WITH DISABILITIES

The PFRDA vide a notification dated September 27, 2024 notified the Accessibility Standards and Guidelines (for creating infrastructure for Persons With Disabilities) for PFRDA- Regulated Intermediaries, which provide for guidelines to be followed by all intermediaries within the NPS architecture for ensuring access to services by Persons With Disabilities.

While the Company does not have any direct interface with subscribers, Para 3.1(iv) of the Guidelines referred above mandated certain features required to be provided on the website of intermediaries, which have been complied with.

## SECRETARIAL STANDARDS ISSUED BY THE INSTITUTE OF COMPANY SECRETARIES OF INDIA ("ICSI")

The Company has been in compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India ('ICSI') on Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) for the FY 2024-25.

## DISCLOSURES PURSUANT TO SCHEDULE V

\*Paid in the current year for FY2023-24 upon performance evaluation by the Nomination & Remuneration Committee

Notes:

1. Notice period as per the Rules of the Company.
2. There is no separate provision for payment of severance fees.
3. Employee Stock Options, if any, will be granted by Axis Bank Limited, ultimate holding Company

## OTHER DISCLOSURES

During the financial year under review, your company has not:

- made any application for restatement of financial statements; or
- made or has been a subject to any application for winding up under the Insolvency and Bankruptcy Code, 2016

Further, there have been no significant or material orders passed by the regulators, courts or tribunals, during the financial year under review which could impact the going concern status of your Company.

The Directors also confirm that:

- There have been no material changes or events since the end of financial year and the date of this report which can have material impact on the financial statements of the Company;
- There was no instance of any one-time settlement with any Bank or Financial Institution; and
- The Company was not required to spend any amount on Corporate Social Responsibility during the year under review.

## ACKNOWLEDGEMENTS

The Directors place on record their gratitude for all the subscribers, customers and business associates for reposing trust and confidence in the Company. The Directors also take this opportunity to express their appreciation for hard work and dedicated efforts put in by the employees of your Company.

The Directors would also like to place on record their gratitude to the Pension Fund Regulatory and Development Authority, the Ministry of Corporate Affairs, the National Pension System Trust, and other Government and regulatory authorities for their continued support, guidance and co-operation.

FORM NO. MR-3

**SECRETARIAL AUDIT REPORT**  
**FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

**AXIS PENSION FUND MANAGEMENT LIMITED**

Axis House 1<sup>st</sup> Floor, C-2 Wadia Centre

Pandurang Budhkar Marg,

Worli, Mumbai-400025

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Axis Pension Fund Management Limited (hereinafter called **"the Company"**). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder; **to the extent applicable.**
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 ("FEMA") and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings: **Not Applicable**
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') – **Not Applicable during the Financial Year**
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
  - c. Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.
  - d. The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulations, 2015.
  - e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.
  - f. Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021.
  - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993.
  - h. Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021.
  - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

**Amongst the various laws which are applicable to the Company, following are the laws which are specifically applicable to the Company:**

1. The Pension Fund Regulatory And Development Authority Act, 2013 and Rules, Regulations and Guidelines made thereunder from time to time;
2. Other Laws as provided under **Annexure A**.

**We have also examined that** the Company has complied with the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**We further report that** the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board and Committee Meetings. Agenda and detailed notes on agenda were sent adequately in advance of the meetings, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decisions are carried through while the dissenting members' views are captured and recorded as part of the minutes where applicable.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company amended its Articles of Association through a special resolution approved at the Annual General Meeting held on May 8, 2024, in accordance with the changes made to the Shareholder's Agreement.

# Independent Auditor's Report

To The Members of Axis Pension Fund Management Limited

## Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of Axis Pension Fund Management Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income/expense, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv.
    - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The Company has not declared or paid any dividend during the reporting period. Therefore, provision of section 123 of the Companies Act not applicable.
  - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of AXIS PENSION FUND MANAGEMENT LIMITED of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of AXIS PENSION FUND MANAGEMENT LIMITED (“the Company”) as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Ind AS financial statements.

### **Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Axis Pension Fund Management Limited of even date)

- (i) In respect of Company’s Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
  - (B) The Company has maintained proper records showing full particulars of intangible assets.
  - (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
  - (c) There is no Immovable Property in book of accounts of the Company. Accordingly, the provision of paragraph 3(i)(c) of the Order is not applicable to the Company.
  - (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 and hence reporting under clause 3(iii) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public and therefore the provisions of the Clause 3(v) of the Order are not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
  - (a) the Company has generally been regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, service tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were in arrears as on 31<sup>st</sup> March, 2025 for a period of more than six months from the date they became payable.
  - (b) According to the records of the Company, there are no dues of income-tax or sales tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filled in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As per information and explanations given to us, the Company has not received any whistle blower complaints during the year (and upto the date of this report). Hence, reporting under clause 3(xi)(c) of the Order is not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Ind AS financial statements.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures
- (xv) As per information and explanations given to us the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) As explained to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 as this is not applicable to the Company. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has incurred Rs 259.77 Lakhs cash losses during the financial year covered by our audit and 532.13 Lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Hence, reporting under clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, the provision of Corporate Social Responsibility under section 135 of the Companies Act, 2013 is not applicable and hence reporting under clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- (xxi) Since these are standalone financial statements, reporting under clause xxi of the Order pertaining to consolidated financial statements is not applicable.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Company overview

Axis Pension Fund Management Limited ('the Company') was incorporated on May 17, 2022 under The Companies Act, 2013. Axis Asset Management Company Limited holds 51% of the total issued and paid -up equity share capital, the balance 19.99% each is held by MEMG Family Office LLP and QRG Investments and Holdings Limited and Axis Bank Limited holds 9.02% of the total issued and paid-up equity share capital. The registered office of the company is located at Axis House, First Floor, C-2 Wadia International Center, Pandurang Budhkar Marg, Worli, Mumbai – 400025.

The Company has been Registered as Pension Fund by the Pension Fund Regulatory and Development Authority under the jurisdiction of Ministry of Finance, Government of India to act as a Pension Fund Manager for National Pension Scheme. The Company's principal activity is to act as investment manager to National Pension System as formed by the Government of India through the Pension Fund Regulatory & Development Authority (PFRDA). The investments are held by the Board of Trustees of the National Pension System Trust, established by the PFRDA under the Indian Trusts Act, 1882.

The financial statements were approved for issue in accordance with a resolution of the directors on April 11<sup>th</sup>, 2025.

### 1. Basis of preparation

#### a) Statement of compliance

These financial statements have been prepared and presented on going concern basis and in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act, as amended from time to time.

Details of the Company's accounting policies are included in Note 2.

#### b) Presentation of financial statements

The Company presents its balance sheet in order of liquidity.

#### c) Functional and presentation currency

Indian Rupee (Rs.) is the Company's functional currency and the currency of the primary economic environment in which the Company operates. Accordingly, the management has determined that financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest Lacs (INR 000), except when otherwise indicated.

#### d) Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items

Items	Measurement basis
Certain financial instruments (as explained in the accounting policies below)	Fair Value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit Obligations

### 2. Significant accounting policies

#### 2.1. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, call deposits and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of change in value.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### 2.2. Financial instruments

#### Recognition and initial measurement

All financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability which is not recognised at Fair Value Through Profit and Loss, is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue. However, Trade Receivables that do not contain a significant financing component are measured at Transaction Price.

#### Classification and subsequent measurement

##### Financial assets

On initial recognition, a financial asset is classified and measured at

- Amortised Cost;
- Fair Value Through Other Comprehensive Income (FVOCI); or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not recognised as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income (OCI) (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis. All financial assets not classified and measured at amortised cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

##### Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.
	Cost of mutual funds has been derived on the basis of weighted average cost method.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Impairment of Financial Asset

The Company assesses on a forward-looking basis the expected credit losses (ECL) associated with its debt instruments carried at amortized cost or FVOCI. ECL has not been determined on financial assets measured at FVTPL. The Company recognizes a loss allowance for such losses at each reporting date. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised, is recognised as an expense in the statement of profit or loss.

The Company records allowance for expected credit losses (ECL) for all debt investments (except GSEC & SGSEC). The ECL allowance is based on the credit losses expected to arise over the life of the asset, unless there has been no significant increase in credit risk since origination, in which case the allowance is based on the 12 months' expected credit loss. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

At the end of each reporting period, the Company performs an assessment of whether the investment's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the asset. This includes both quantitative and qualitative information which takes into account the Company's historical credit loss experience, current economic condition, forward looking information and scenario analysis.

The expected credit loss is a product of Exposure at Default (EAD), Probability of Default (PD) and Loss given default (LGD). The Company has devised an internal model to evaluate the PD and LGD based on the parameters set out in Ind AS 109. Accordingly, the financial assets have been segmented into three stages based on their risk profiles. The three stages reflect the general pattern of credit deterioration of a financial asset.

The company categorizes financial assets at the reporting date into stages based on the days past due (DPD) status as under:

**Stage 1:** 0 to 30 days past due

**Stage 2:** 31 to 90 days past due

**Stage 3:** more than 90 days past due

**Probability of Default (PD):** It is an estimate of the likelihood of default over a given time horizon. In order to estimate the PDs, studies on defaults available in public domain.

**Exposure at Default (EAD):** Exposure at Default ("EAD") is an estimate of the exposure at a future default date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

**Loss Given Default (LGD):** LGD is an estimate of the loss arising in case where a default occurs. It is based on the difference between the contractual cash flows due and those that the Company would expect to receive, including from the realization of any security. The company shall use the RBI FIRB rate for loss given default (LGD)

Based on the above, the Company categorizes its Assets into Stage 1, Stage 2 and Stage 3 as under:

**Stage 1:** When Assets are first recognized, the Company recognises an allowance based on 12 months' expected credit loss.

**Stage 2:** When an Asset has shown significant increase in credit risk since origination, the Company records an allowance for the life time expected credit loss.

**Stage 3:** When an Assets is credit impaired, the Company records an allowance for the life time expected credit loss.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Credit - impaired Financial Assets

A financial asset is 'credit-impaired' when one or more events, that have a detrimental impact on the estimated future cash flows of the financial asset, have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

Significant financial difficulty of the borrower or issuer;

A breach of contract such as a default or past due event;

The disappearance of an active market for a security because of financial difficulties; or

The purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event, instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments which are financial assets measured at amortized cost or FVTOCI, are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors, such as bond yields, credit ratings and the ability of the borrower to raise funding.

### Significant Increase in Credit Risk

The Company monitors all financial assets, that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk, since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL. The Company's accounting policy is not to use the practical expedient that the financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk. As a result, the Company monitors all financial assets, that are subject to impairment for significant increase in credit risk. In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognized. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable, and supportable, including historical experience and forward-looking information, that is available without undue cost or effort, based on the Company's historical experience.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the probability of default (PD) will be more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD.

### ECL is calculated as under:

**Stage 1:** The Company calculates the 12 months' ECL based on the expectation of a default occurring within 12 months from the reporting date. The expected 12-month PD is applied to the EAD and multiplied by the expected LGD.

**Stage 2:** When an Asset has shown significant increase in credit risk since origination, the Company records an allowance for life time expected credit loss as above, but the PD and LGD is estimated over the lifetime of the Asset.

**Stage 3:** For Assets considered credit impaired, life time ECL is recognized. The method is similar to that for Stage 2 assets, with the PD set at 100%.

For trade receivables, the company applies a simplified approach in calculating ECLs. Therefore, the company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised as profit or loss respectively.

### De-recognition

### Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

### Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

## 2.3. Property, plant and equipment

### Recognition and measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price (after deducting trade discounts and rebates) including import duties and non-refundable taxes, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Any gain or loss arising from disposal of an item of property, plant and equipment is recognised as profit or loss respectively.

### Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

### Depreciation

Depreciation on property, plant and equipment is provided on straight-line basis as per the estimated useful life and in the manner prescribed in Schedule II of the Companies Act, 2013 except for certain assets. Following is the summary of useful lives of the assets as per management's estimate and as required by the Companies Act, 2013.

Class of assets	Estimated Useful life	Useful life as per the limits prescribed in Schedule II of the Companies Act, 2013
<b>Tangible PPE</b>		
Computers and peripherals	3 years*	3 and 6 years
Mobile phones	2 years*	5 years
Office equipment's	5 years	5 years
Furniture and fixtures	10 years	10 years
Vehicle	4 years*	8 years

\*Justification for considering useful life different from part C of schedule II to the Companies Act, 2013:

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

Management has estimated the useful life of assets for Computers and peripherals, mobile phones and Vehicle respectively after taking into consideration rapid evolution of technology and tendency of the users to opt for advanced features.

Leasehold Improvements are amortized over the primary period of the lease from the date of capitalization as per the Company's policy. The primary period of lease is defined as the term of lease or 3 years whichever is earlier.

Depreciation on assets sold during the year is recognized on a pro-rata basis to the statement of Profit and Loss till the date of sale.

### 2.4. Other intangible assets

Other intangible assets including computer software are measured at cost. Such other intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

#### Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of Profit and Loss as incurred.

#### Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortization in the Statement of Profit and Loss. Computer Software is being amortised over a period of 3 years. Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if required.

### 2.5. Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of goodwill is the higher of its value in use and its fair value. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to it.

Impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

### 2.6. Revenue recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers to determine when to recognize revenue and at what amount.

Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Revenue towards satisfaction of a performance obligation is measured at amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

is net of services rendered is net of variable consideration on account of various discounts and schemes offered by company as part of contract.

If the consideration promised in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Nature of services - Asset Management Services.

The Company manages the investments of the National Pension System as formed by the Government of India through the Pension Fund Regulatory & Development Authority (PFRDA).

**Investment management fees** are recognised on an accrual basis on daily closing assets under management across respective schemes under pension funds. The investment management fees are presented net of Goods and services Tax in the Statement of Profit & Loss Account.

Management fees from Schemes defined by the PFRDA are recognized on an accrual basis as per the terms defined by PFRDA.

### Other income

Other Income represents income earned from the activities incidental to the business and is recognized when the right to receive the income is established as per the terms of the contract.

Interest income on debt investments is recognised on an accrual basis. Amortization of premium or accretion of discount on debt investments is recognised over the period of maturity / holding of the investments on a straight line basis.

Dividend income is recognised on the "ex-dividend" date in case of listed equity shares and in case of unlisted equity shares when right to receive dividend is established.

Profit or loss on sale of debt investments is calculated as the difference between the net sale proceeds and the weighted average amortised cost as on the date of sale.

Profit or loss on sale of equity shares/mutual fund units is calculated as the difference between the net sale proceeds and the weighted average cost as on the date of sale.

Income from sale of Investments is determined on weighted average basis and recognized on the trade date basis.

In respect of other heads of Income, the company accounts the same on accrual basis.

## 2.7. Employee benefits

### Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Defined contribution plans

#### Provident Fund

The company contributes to a recognized Provident Fund scheme, which is a defined contribution scheme. The contributions are accounted for on an accrual basis and charged to statement of Profit and Loss Account.

#### National Pension Scheme

National Pension Scheme ('NPS') In respect of employees who opt for contribution to the 'NPS', the Company contributes certain percentage of the total basic salary of employees to the aforesaid scheme, a defined contribution plan, which is managed and administered by pension fund management companies. NPS contributions are recognised in the Profit and Loss Account in the period in which they accrue.

### Defined benefit plan

#### Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of the defined benefit obligation is performed periodically by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income. The Company determines the net interest expense / income on the net defined benefit liability / asset for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability / asset, taking into account any changes in the net defined benefit liability / asset during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

#### Gratuity – Social Security Code

The Code on Social Security 2020 ("Code") relating to employee benefits during employment and post-employment received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have also not yet been issued. The Group has carried out an impact assessment of the gratuity liability based on an actuarial valuation and on a prudent basis holds a provision. This is over and above the provisions made in normal course based on extant rules and as reported in the above disclosure.

## 2.8. Accounting for Leases as lessee

The Company has applied IND AS 116 using the partial retrospective approach.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

### Right of use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

### Lease Liabilities

At the commencement date of the lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date and is discounted using the Company's incremental borrowing rate. Since the Company does not have any debts, the company uses market borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

### Short-term lease

The company applies the short-term lease recognition exemption to its short-term leases of Property plant and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

## 2.9. Provisions and Contingencies

Provisions are recognized when the Company has a present obligation as a result of past events, it is more likely than not that, an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Loss contingencies arising from claims, litigation, assessment, fines, penalties, etc. are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognized in the period in which the change occurs.

### 2.10. Taxes on income

The tax expense comprises current tax and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits, if any.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is other convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

**Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025**

**2.11. Earnings per share (EPS)**

The basic earnings per share is computed by dividing profit after tax attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reporting period. The diluted earnings per share is computed by dividing profit after tax attributable to the equity shareholders by the weighted average number of equity shares outstanding plus the weighted average number of equity shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares. The number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares, unless they are anti-dilutive.

There is no Capital Commitments Contracts on capital Account has been executed by Company during the year

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### 25. Trade payable

Sundry creditors include amount payable to Small Scale Industrial Undertakings and Micro and Small Enterprises. Under the Micro Small and Medium Enterprises Development Act 2006 (MSMEDA) which came into force from October 02 2006 certain disclosures are required to be made relating to Micro and Small enterprises. Based on the information and records available with the management the following disclosures are made for the amounts due to the Micro and Small enterprises who have registered with the competent authorities.

Particulars	(₹ '000)	
	As at March 31 <sup>st</sup> , 2025	As at March 31 <sup>st</sup> , 2024
Principal amount remaining unpaid to any supplier as at the year end	-	-
Interest due thereon	Nil	Nil
Amount of interest paid by the company in terms of section 16 of the MSMEDA along with the amount of the payment made to the supplier beyond the appointed day during the accounting year	Nil	Nil
Amount of interest due and payable for the year of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMEDA	Nil	Nil
Amount of interest accrued and remaining unpaid at the end of the accounting year	Nil	Nil

### 26. Employee benefits

#### Defined contribution plan

The Company has recognized the following amounts in statement of Profit and Loss Account which are included under Contributions to Provident & other funds:

Particulars	(₹ '000)	
	For year ended March 31 <sup>st</sup> , 2025	For year ended March 31 <sup>st</sup> , 2024
Employer's contribution to provident fund	2,260	2,938

#### Defined benefit plans

The Company has a defined benefit gratuity plan. The companies defined benefit plan is a final salary plan for employees which requires contributions to be made to a separately administered fund. The gratuity plan is governed by the Payment of Gratuity Act 1972("the Act"). Under the Act employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

	As at March 31 <sup>st</sup> , 2025	As at March 31 <sup>st</sup> , 2024
<b>Opening net defined benefit liability / (asset)</b>	<b>926</b>	<b>624</b>
Net defined benefit liability/(asset)	-	-
Defined benefit cost included in P&L	647	1,470
Total re-measurements included in OCI	259	(1,168)
Employer contributions	-	-
Employer direct benefit payments	-	-
Employer direct settlement payments	-	-
Net transfer	-	-
<b>Net defined benefit liability/(asset) as of end of period</b>	<b>1,832</b>	<b>926</b>

### Actuarial assumptions

Particulars	(₹ '000)	
	As at March 31 <sup>st</sup> , 2025	As at March 31 <sup>st</sup> , 2024
Discount rate Current Year	6.70%	7.20%
Discount rate Previous Year	7.20%	7.35%
Salary increase rate	8.00%	8.00%

### Sensitivity of liability

Particulars	(₹ '000)		
	As at March 31 <sup>st</sup> , 2025		
<b>Discount rate</b>	<b>Discount Rate</b>	<b>Salary Escalation Rate</b>	<b>Attrition Rate</b>
Defined benefit obligation on increase in 100 bps	1,721	1,951	1,785
Impact of increase in 100 bps on DBO	-6.06%	6.52%	-2.53%
Defined benefit obligation on decrease in 100 bps	1,954	1,721	1,879
Impact of decrease in 100 bps on DBO	6.67%	-6.04%	2.59%

### Sensitivity of liability

Particulars	(₹ '000)		
	As at March 31 <sup>st</sup> , 2024		
<b>Discount rate</b>	<b>Discount Rate</b>	<b>Salary Escalation Rate</b>	<b>Attrition Rate</b>
Defined benefit obligation on increase in 100 bps	862	995	893
Impact of increase in 100 bps on DBO	-6.86%	7.46%	-3.55%
Defined benefit obligation on decrease in 100 bps	996	862	960
Impact of decrease in 100 bps on DBO	7.60%	-6.87%	3.66%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the prior period.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Maturity

The defined benefit obligations shall mature after year end as follows:

	(₹ '000)	
Expected cash flows for following year	As at March 31 <sup>st</sup> , 2025	As at March 31 <sup>st</sup> , 2024
Expected employer contributions / Addl. Provision Next Year	-	-
Expected total benefit payments-		
Year 1	10.67	5.68
Year 2	10.80	5.78
Year 3	302.85	5.85
Year 4	281.22	169.18
Year 5	261.70	156.71
Year 6 to year 10	1,382.41	861.89

These plans typically expose the company to actuarial risks such as: Interest rate risk, salary risk, Investment risk, Asset Liability Matching risk, Mortality risk and Concentration risk.

- i) Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset,
- ii) Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such an increase in the salary of the members more than assumed level will increase the plan's liability,
- iii) Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate it will create a plan deficit. Currently for the plan in India it has a relatively balanced mix of investments in government securities and other debt instruments,
- iv) Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules 1962 this generally reduces ALM risk,
- v) Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only plan does not have any longevity risk,
- vi) Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

## 27. Social Security

The Code on Social Security 2020 ('Code') relating to employee benefits during employment and post-employment received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have also not yet been issued. The company has carried out an impact assessment of the gratuity liability based on an actuarial valuation and on prudent basis holds a provision of ₹ 7.85 Lacs as on 31 March, 2025 (Nil as on 31 March, 2024). This is over and above the provisions made in normal course based on extant rules and as reported in the above disclosure.

## 28. Employee stock option scheme (Equity settled)

Our Parent Company "Axis Bank Limited", ("the Bank"), has approval to grant options to the eligible employees of the Bank and its subsidiaries and associate companies. As per the Scheme, certain options of parent company were granted. The vesting of the options is from expiry of one year till four years as per Plan. Each Option entitles the holder thereof

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

to apply for and be allotted / transferred one Equity Share of the Company upon payment of the exercise price during the exercise period.

Expense arising from employee stock option charge

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

### Fair value hierarchy

Fair value measurements are analysed by level in the fair value hierarchy as follows: This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- recognised and measured at fair value and
- measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

(₹'000)

Particulars	Date of valuation	As at March 31 <sup>st</sup> , 2025			
		Level 1	Level 2	Level 3	Total
<b>Financial Assets: Measured at Fair Value</b>					
Investments at FVTPL					
Mutual fund	March 31 2025	39,764	-	-	39,764
Investments at FVOCI					
Bonds	March 31 2025	5,25,729	-	-	5,25,729
<b>Financial Assets: Not Measured at Fair Value</b>					
Cash and Cash equivalent	March 31 2025	-	-	2,500	2,500

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025

For all of the financial assets and liabilities which are not carried at fair value, the carrying amounts approximates the fair values, where considering the limited / lack of availability of observable inputs for fair valuation and considering the nature of such items / transactions, management has disclosed the carrying amounts as the fair values

As per Ind AS 107, 'Financial Instruments: Disclosures', the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows :

**Level 1** — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2** — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

**Level 3** — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

### Valuation techniques used to determine fair value

Financial Instrument	Valuation technique
Mutual Fund	Net Asset Value (NAV) declared by the mutual fund at which units are issued or redeemed
Bonds	Quoted Price declared in active markets

## 36. Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Risk management committee.

### The Company has exposure to the following risks arising from Financial Instruments:

Risk	Exposure arising from
Credit risk	Cash and cash equivalents, trade & other receivables, financial assets measured at amortised cost & Bonds at FVOCI
Market Risk- Price	Units of mutual funds & Bonds
Liquidity risk	Financial liabilities

### Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities.

## Summary of significant accounting policies and other explanatory information (Notes) forming part of the financial statements for the year ended March 31, 2025
