

Sustainable Bond Impact Report 2024-25

- In FY 2025, the International Finance Corporation (IFC), a member of the World Bank Group and the largest global development institution, partnered with Axis Bank to provide a \$500 million loan to help develop a blue finance market and scale up financing of green projects in India. This is IFC's first blue* investment in India and the first blue transaction by a financial institution in the country.
- In FY 2024, Axis Bank concluded a Sustainable bilateral/club loan for a total of USD 350 million. All the proceeds would be applied in accordance with the Axis Bank Sustainable Financing Framework to finance and/or refinance Eligible Green Projects and/or Eligible Social Projects. Out of the above, loan's amounting to USD 150 mio were prepaid in March 2025.
- Axis Bank also has an outstanding Sustainable AT1 Notes of USD 600 Mn (issued in Sept' 21) under the Sustainable Financing Framework.

In July 2021, the Bank published its Sustainable Financing Framework ("Framework") that is aligned with the 2021 ICMA Green Bond Principles and Social Bond Principles, 2021 ICMA Sustainability Bond Guidelines, 2021 Green Loan Principles, as well as the ASEAN Green Bond Standards, Social Bond Standards and Sustainability Bond Standards. The Framework defines the eligible Sustainable Financing Transactions ("SFT") that would qualify to be eligible for being considered under the framework and the processes to be followed by the Bank around the use of proceeds. The Sustainable Financing Framework may be accessed on the Bank's website at this [LINK](#).

The Framework has received a Second Party Opinion from Sustainalytics, published in August 2021, which provides its opinion that "Axis Bank Sustainable Financing Framework is credible and impactful and aligns with the Sustainability Bond Guidelines 2021, Green Bond Principles 2021, Social Bond Principles 2021, Green Loan Principles 2021, Social Loan Principles 2021, ASEAN Social Bond Standard 2018, ASEAN Green Bond Standard 2018, and ASEAN Sustainability Bond Standards 2018." The SPO may be accessed online at this [LINK](#).

Evaluation date	August 04, 2021
------------------------	-----------------

Issuer Location	Mumbai, India
------------------------	---------------

The Bank has also set up the ESG Working Group, composed of representatives from the Bank's Risk, Treasury, Wholesale Banking, Retail Banking and Sustainability verticals to drive the process of identifying and selecting the eligible projects under the Framework. In the reporting period, the Working Group prepared four reports during the reporting period on the utilization of proceeds under the Framework. This Sustainable Bond Impact Report for FY 2023-24 up till

**Blue financing focuses on channelling investments towards building a sustainable water economy, into activities such as water and wastewater management, reduction of marine plastic pollution, restoration of marine ecosystems, sustainable shipping and offshore renewable energy. This loan was not under the Bank's Sustainable Financing Framework and therefore details regarding the use of proceeds will not be a part of this report.*

March 2024 has been prepared in line with its reporting obligations under Clause 2.4 of the Sustainable Financing Framework.

Information on temporary investment of unallocated proceeds	Not applicable

NOTE: The Bank had issued a USD 40 million green bond in private placement in 2019 with a five-year tenure. The Bond was aligned with the Bank's erstwhile Green Bond Framework that was superseded by the issuance of the Sustainable Financing Framework in July 2021. Towards ensuring a comprehensive oversight of the Bank's overall sustainable financing efforts, the ESG Working Group shall also be monitoring the allocation of proceeds under the said bond till its maturity.

The Bank confirms that the eligible assets included in the Portfolio comply with the Framework and that the Bank has completed the allocation of such proceeds in line with the terms of the Framework.

This Report has been prepared by the Bank's ESG Working Group and reviewed by the Group Executive – Treasury and Deputy Managing Director, Axis Bank Limited.
