Product	Rate of Interest disbursed OCT'19-DEC'19		Mean Rate
	Min ROI	Max ROI	
Loan Against Securities	8.90%	12.50%	10.18%

Note:

- It includes various categories like fixed rate/floating rate as applicable and is based on factors such as loan amount, customer relationships, etc.

- Mean rate = Sum of rate of interest of all loan accounts / Number of all loan accounts.
