Change in Interest Calculation Methodology

With effect from 01-04-2023, there will be a change in the way the Interest Amount is calculated. Interest will be levied on all transactions that were carried out during the time the customer uses the revolving facility (has revolving credit and has paid less than Total Amount Due in previous month).

An Illustration for the same is provided below:

- ☑ Statement Cycle – 16th to 15th of every month
- ☑ Statement Generation Date – 16th of every month
- ☑ Payment Due Date – 4th of every month
- ☑ Payment Due Date (including 3 grace days) – 7th of every month
- ☑ Interest Rate – 3.6% per month

Cycle 1: 16th May to 15th June

Purchase made on 20th May: INR 10,000

No other purchase in the statement cycle

Statement for INR 10,000 generated on 16th June with payment due date of 4th July

Total Amount Due (TAD): INR 10,000

Minimum Amount Due (MAD): INR 200

Cycle 2: 16th June to 15th July

Payment of Minimum Amount Due made on 20th June: INR 500

New Transaction made for Rs 3,000 on 25th June

On 16th July (Statement generation date), Interest Charged consisting of following components:

1. Interest on INR 10,000 balance from 20th May to 20th June:

$\text{INR } 10,000 \times 30 \text{ days} \times 3.6\% \times 12/365 = \text{INR } 355.07$

2. Interest on INR 9,800 balance from 21st June to 15th July:

$\text{INR } 9,800 \times 25 \text{ days} \times 3.6\% \times 12/365 = \text{INR } 289.97$

3. Interest on INR 3,000 balance from 25th June to 15th July:

$\text{INR } 3,000 \times 21 \text{ days} \times 3.6\% \times 12/365 = \text{INR } 74.56$

4. GST of 18% on Total Interest:

$18\% \times (355.07 + 289.97 + 74.56) = \text{INR } 129.53$

• Total Charges $(355.07 + 289.97 + 74.56 + 129.53)$: INR 849.13

• Balance as on 16th July: $12800 + 849.13 = \text{INR } 13,649.13$.

• Statement Generated at the end of Cycle 2 with Total Amount Due as INR 13649.13

• Minimum Amount Due = Charges + 2% of remaining outstanding:

$2\% \text{ of } 12,800 + 13,649.13 = \text{INR } 13905.13$.

Cycle 3: 16th July to 15th August

Payment of Total Amount Due made on 20th July

Payment of INR13,905.13. Outstanding Balance is zero

No other purchases during the cycle.

On 16th August (on Statement generation date) the following Interest components will be added for the difference in dates between transactions and payment.

1. Interest on Balance of INR 9,800 from 16th July to 20th July:

$\text{INR } 9,800 * 5 \text{ days} * 3.6\% * 12/365 = \text{INR } 56.21$

2. GST of 18% on Total Interest:

$18\% * 57.99 = \text{INR } 10.43$

• Total Charges = $(57.99 + 10.43) = \text{INR } 68.42$

• Interest of INR 57.99 plus GST of INR 10.43 added to statement on 16th August.

• Post payment of INR 68.42 by payment due date, no further interest will be charged on the previous transactions.

Changes in Minimum Amount Due (MAD) computation logic

The Minimum Amount Due (MAD) computation methodology will be revised with effect from 10th November 2023 across Axis Bank Credit Cards.

Existing MAD computation logic:

$\text{MAD} = 5\% \text{ of (Purchases/ Cash Withdrawals)} + 100\% \text{ of (Interest/Finance Charge, All Fees, loans, taxes)}$

Revised MAD computation logic (effective 10th Nov 2023):

$\text{MAD} = 2\% \text{ of (Purchases/ Cash Withdrawals)} + 100\% \text{ of (Interest/Finance Charge, All Fees, loans, taxes)}$

Illustration for Minimum Amount Due (MAD) Computation:

Assume that you have paid all previous dues in full, and do not have any amount outstanding in your Credit Card Account, and your monthly statement is generated on the 15th of every month.

Earlier MAD computation logic:

$\text{MAD} = 5\% \text{ of (Purchases/ Cash Withdrawals)} + 100\% \text{ of (Interest/Finance Charge, All Fees, loans, taxes)}$

Revised MAD computation logic (effective 10th Nov 2023):

MAD = 2% of (Purchases/ Cash Withdrawals) + 100% of (Interest/Finance Charge, All Fees, loans, taxes)

Illustration for Minimum Amount Due (MAD) Computation:

Assume that you have paid all previous dues in full, and do not have any amount outstanding in your Credit Card Account, and your monthly statement is generated on the 15th of every month.

				Previous MAD computation logic		Revised MAD computation logic	
Sr. No.	Txn Date	Type	Cr/ Db	MAD Contribution	Amount	MAD Contribution	Amount
a	25 th Sep	Purchase	Db	5%	5000	2%	5000
b	1 st Oct	Joining Fee	Db	100%	1000	100%	1000

d	1 st Oct	Cash Withdrawal	Db	5%	2000	2%	2000
e	1 st Oct	Cash Withdrawal Fee	Db	100%	100	100%	100
f	1 st Oct	GST	Db	100%	18	100%	18

h	15 th Oct	GST on Interest	Db	100%	6.4	100%	6.4
Total Due					8339.89		8339.89
Minimum Amount Due (MAD)					1689.90		1479.90

Basis previous logic, the minimum Amount Due (MAD) will be calculated as below:

MAD = 5% of Purchase and Cash Withdrawal + 100% of Joining Fees, Cash Withdrawal Fee, Interest on cash withdrawal, GST & GST on Interest

$$\text{MAD} = 5\% \times (5000 + 2000) + 100\% \times (1000 + 180 + 100 + 18 + 35.5 + 6.4) = 1689.90$$

Minimum Amount Due will be Rs. 1689.90

The revised Minimum Amount Due (MAD) with effect from 10th November will be calculated as below:

MAD = 2% of Purchase and Cash Withdrawal + 100% of Joining Fees, Cash Withdrawal Fee, Interest on cash withdrawal, GST & GST on Interest

$$\text{MAD} = 2\% \times (5000 + 2000) + 100\% \times (1000 + 180 + 100 + 18 + 35.5 + 6.4) = 1479.90$$

Minimum Amount Due will be Rs. 1479.90.

If you spend ₹5,000 and pay back exactly the Minimum Amount Due (subject to a minimum payment of ₹100) every month, it will take you up to ~7 years to pay back the total amount. We therefore suggest that whenever your cash flows allow, pay back the entire outstanding or an amount substantially more than your Minimum Amount Due.

B) Credit and Cash Withdrawal / Advance Fees

- **The Credit Limit:** This is the limit assigned to the Cardholder. The total outstanding, including all transactions, fees and charges should not exceed this limit.
- **Cash Limit:** This is the Cash Advance Limit assigned to the Cardholder. This limit is lower than the Credit Limit, and is a subset of the overall Credit Limit.

A transaction fee is levied on cash withdrawn from ATMs. Also, cash transactions always accrue interest from the transaction date, unlike retail purchases, where interest accrual depends on the payment of 100% balance payment by the Payment Due Date

- **Available Credit Limit:** The Available Credit Limit at any time is the difference between the assigned Credit Limit and the outstanding balance on the Card at that point of time. The Add-on Cardholder(s) will share this Credit Limit assigned to the primary Cardholder
- **Available Cash Limit:** The Available Cash Limit at any time, is the difference between the assigned Cash Limit & the outstanding cash balance on the Card at that point of time.
- **International Limit:** International Limit is the limit assigned to the customer for international usage. It is only applicable for customers who have opted for international usage at the time of Credit Card Application. This is as per the International Limit mentioned on your Welcome Kit
- The Credit, Cash and International (if any) Limit will vary for each Cardholder. It will be communicated to the

Cardholder in the Welcome Letter at the time of delivery of the Card, and will also be disclosed in the monthly statement sent to the Cardholder. The Available Credit Limit at the time of generation of each monthly statement is provided as a part of the said statement.

- **Multi Cards-Limit sharing:** Axis Bank at its sole discretion reserves the right to provide a card type that is different from the existing card type held by the Cardholder. The Credit Limits and Cash Limits on any Credit Card at any point in time are at the sole discretion of Axis Bank. Credit limit across all your Axis Bank Credit Cards is shared. Irrespective of different credit limits individually on your Axis Bank Credit Card, the combined usage will be restricted to the shared limit. Credit limits at individual card level or shared limit at customer level are decided at sole discretion of the bank basis extant internal guidelines. In situations where the outstanding exceeds the credit limit assigned to the credit card standard over limit charges will be applicable. Axis Bank reserves the right to update the customer's demographic and personal details as per the latest application for his/her existing card(s) if any. The maximum number of Axis Bank credit cards issued to a customer is subject to Bank's internal policies and discretion.
- ☒ Credit limits across credit cards held by the customer is subject to extant internal policy guidelines and at the sole discretion of the Bank. In case a customer holds multiple Axis Bank Credit Cards, limit across all cards is shared and same across all cards. E.g. If the credit limit for Customer is INR 1,00,000 and customer holds two credit cards of Axis Bank, individual limit on each card shall be INR 1,00,000 and will be shared across both the cards. If customer does transactions worth INR 90,000 on Card A, available credit limit to be utilised across either of the cards shall be INR 10,000 regardless of no spends done on card B. Total customer limit in this scenario would not be 1,00,000 on Card A and 1,00,000 on Card B.
- ☒ In case customer holds one card of Axis Bank and applies for another card from the Bank, same limit as applicable on

the first card shall also apply on the second card. However, at the time of second card application, if the customer is reviewed for a higher limit and has consented to the same via second card application, revised limit shall be applicable across all cards i.e. existing and new card issued to the customer.

- ☒ Axis Bank shall at its sole discretion be entitled to review (including enhancement or reduction) the credit limit assigned on the card(s) held by the customer from time to time. Basis such review, limit enhancement offer (with specific validity period) will be made to the customer and basis explicit customer consent, such enhancement shall be processed across all credit card held by the customer, subject to real time checks at the time of processing. The credit limit increase is subject to the credit card account being eligible on the date on which the action was taken for the request and same would be processed within 3 working days.
- ☒ In case the customer is not eligible for any limit enhancement offer from the Bank, customers can request for a review of existing credit limit basis submission of the necessary documents as required the Bank. Such review and enhancement (if any) is at the sole discretion of the Bank. Such requests shall be processed within 7 working days.

- **RBI Guidelines on usage**

As per RBI guidelines, all cards shall be enabled for use only at contact based points of usage within India (ATMs and POS i.e. point of sale devices). You can set or change your usage preference and manage transaction limits on your card anytime by enabling or disabling contactless, international, online transactions via Axis Mobile app, internet banking or simply contacting the customer care / visiting the nearest branch. The contactless symbol on the front face of your card signifies that the card is contactless acceptance ready. If your card plastic does not support any of the above mentioned transactions, you will not be able to enable or disable preferences/limits, please call the customer care or visit a branch for your request.

C) Credit - Free Period

The interest - free grace period could range from 20 to 50 days, depending on the date of transaction. The interest – free credit period is suspended if any balance from the previous month's bill is still outstanding.

Illustrative example for the calculation of the grace period:

For a statement of the period from 20th June to 20th July, the Payment Due Date would be 10th August. Assuming that you have paid your Total Amount Due of the previous month's statement by the Payment Due Date, the grace period would be:

1. For a purchase dated 24th June, the interest - free grace period is from 24th June -10th August i.e. 47 days.
2. For a purchase dated 14th July, the interest - free grace period is from 18th July to 10th August i.e. 23 days. Thus, the grace period can vary depending upon the date of purchase. However, if the Total Amount Due of the previous month is not paid by the Payment Due Date, then the Free Credit Period will be lost and there will not be any interest - free period. For cash advances, interest is charged from the date of transaction until the date of payment.

D) Billing and Statement

- i] Billing Statement - Periodicity & mode of sending: The Bank will send at your mailing address / e-mail address, as per Bank's records, a statement / e-statement once a month for there is any transaction or outstanding of more than Rs. 100 on the Card Account. Non - receipt of a Statement would not affect your obligations and liabilities under this agreement and you shall be liable to settle the outstanding balance on the Card within the Payment Due Date.
