++ Cash advance are transactions where Forex card is used at branches across International Banks for doing face to face cash disbursements.

*Note – Cash Advance fees are reduced to 0.50% of the transaction amount or \$75 or equivalent whichever is lower (wef 1st May 2021).

** The overseas banks are given rights by the local federal laws to charge fees to other bank customers for accessing their ATM's to withdraw money. Accordingly, many ATM's abroad do levy charges for withdrawing from their ATM over and above the charges levied by Axis Bank. This charge is normally displayed to the customer during the transaction and the customer has the option to either proceed with the transaction or abort it. Please note that these charges are not levied by Axis Bank and hence cannot be refunded.

Reload and Encashment fee mentioned is per currency.
