Interest Free Grace Period – The interest - free grace period could range from 20 to 50 days, depending on the date of transaction.

Finance Charges Calculation

Interest is levied on all transactions that are carried out during the time the customer uses the revolving facility (has revolving credit and has paid less than Total Amount Due in previous month). An illustration for the same is provided below:

- Statement Cycle – 12th to 11th of every month
- Statement Generation Date – 11th of every month
- Interest Rate – 3.75% per month

Cycle 1: 12th Mar to 11th Apr - Assume that you have paid all previous dues in full, and do not have any amount outstanding in your credit cards Account. Suppose a purchase of ₹500 is made on 30th Mar followed by a cash withdrawal for ₹4,000 on 2nd Apr. Statement for ₹5,148.19 will be generated on 11th Apr with due date of 1st May with the following components:

Date	Transaction Type	Amount (₹)	Explanation
30 th Mar	Purchase	500 Dr	Purchases made on credit card
2 nd Apr	Cash withdrawal	4,000 Dr	Cash withdrawn on credit card
2 nd Apr	Cash Advance fee	500 Dr	₹4,000*2.5% =₹100 which is less than ₹500
2 nd Apr	GST on cash fee	90 Dr	₹500*18% = ₹90
11 th Apr	Interest	49.32 Dr	Cash withdrawal amount ₹4,000* 10 days* 3.75% interest rate*12 months/365 days = ₹49.32
11 th Apr	GST on Interest	8.88 Dr	₹49.32 *18% = ₹8.88
Closing Balance		5,148.19 Dr	Total Payment Due

Minimum Amount Due (MAD) for this cycle will be ₹738.19. MAD calculation is as follows MAD= 2%*(500+4,000) + (500+90+49.32+8.88)= ₹738.19.

Cycle 2: 12th Apr to 11th May - Suppose a new purchase is made for ₹2,500 on 1st May and MAD payment is made on 15th Apr, then the statement generated on 11th May with due date of 31st May will consist of following components:

Date	Transaction Type	Amount (₹)	Explanation
Opening balance		5,148.19 Dr	Closing balance from previous statement
15 th Apr	Payment	738.19 Cr	Payment towards previous Minimum Amount Due = ₹738.19
1 st May	Purchase	2,500 Dr	Purchases made on credit card
11 th May	Interest	205.78 Dr	Break up of ₹205.78 given below
11 th May	GST on Interest	37.04 Dr	₹205.78 *18% = ₹37.04
Closing Balance		7,152.81 Dr	Total Payment Due

Interest Charged consists of following components:

Balance (₹)	Period	No. of days	Calculation	Interest (₹)
500	30 th Mar to 15 th Apr	17	500*17*3.75%*12/365	10.48
4,000	12 th Apr to 15 th Apr	4	4,000*4*3.75%*12/365	19.73
2,500	1 st May to 11 th May	11	2,500*11*3.75%*12/365	33.90
49.32	11 th Apr to 15 th Apr	5	49.32*5*3.75%*12/365	0.30
4,410	16 th Apr to 11 th May	26	4,410*26*3.75%*12/365	141.36
Interest Charged				205.78

₹4,410 is the remaining purchases balance after knocking off the previous dues against the partial payment

Cycle 3: 12th May to 11th Jun - Suppose there is a purchase made on 13th May for ₹1,000 and full payment of previous closing balance i.e. ₹7,152.81 is made on 25th May, before due date. Another purchase of ₹5,000 is made on 31st May. Statement generated on 11th June will consist of following components:

Date	Transaction Type	Amount (₹)	Explanation
Opening balance		7,152.81 Dr	Closing balance of previous statement
13 th May	Purchase	1,000 Dr	Purchase made on credit card
25 th May	Payment	7,152.81 Cr	Full payment towards previous Total Amount Due = ₹7,152.81
31 st May	Purchase	5,000 Dr	Purchase made on credit card
11 th June	Interest	139.10 Dr	Break up of ₹139.10 given below
11 th June	GST on Interest	25.04 Dr	₹139.10 *18% = ₹25.04
Closing Balance		6,164.14 Dr	Total Payment Due

Interest Charged consists of following components, interest is charged on all previous dues and fresh transactions till date of full payment of previous dues:

Balance (₹)	Period	No. of days	Calculation	Interest (₹)
6,910	12 th May to 25 th May	14	6,910*14*3.75%*12/365	119.27
205.78	11 th May to 25 th May	15	205.78*15*3.75%*12/365	3.81
1,000	13 th May to 25 th May	13	1,000*13*3.75%*12/365	16.03
Interest Charged				139.10

Illustrative example for the calculation of the grace period:

For a statement of the period from 21st June to 21st July, the Payment Due Date would be 10th August. Assuming that you have paid your Total Amount Due of the previous month's statement by the Payment Due Date, the grace period would be:

1. For a purchase dated 24th June, the interest - free grace period is from 24th June -10th August i.e. 47 days.
2. For a purchase dated 18th July, the interest - free grace period is from 18th July to 10th August i.e. 23 days.

Thus, the grace period can vary depending upon the date of purchase. However, if the Total Amount Due of the previous month is not paid by the Payment Due Date, then the Free Credit Period will be lost and there will not be any interest - free period. For cash advances, interest is charged from the date of transaction until the date of payment.

To know the further Terms and Conditions, view MITC document at <https://axisbank.com/mitnc>

Billing details:

Billing Statement - Periodicity and mode of sending: The Bank will send the billing statement at your mailing address / email address, as per Bank's records, a statement / e-statement once a month for there is any transaction or outstanding of more than INR 100 on the Card Account.

Minimum amount payable (MAD) = 100% of Principal and Interest of EMI + 5% of the remaining outstanding amount.

MAD = 100% of (Interest/finance charge, all fees, loans, taxes) + 2% of (Purchases/ Cash Withdrawals) **(effective 10th Nov 2023).**

Method of payment – Cheque / Draft, Click to Pay/ NEFT/ VMT, RTGS, Cash, auto debit, internet payment through Axis Bank Savings Account, ATMs, IMPS, 3rd Party Channels.

Billing disputes resolution - In case of any billing dispute notified to Axis Bank, we will suspend reporting to the Credit Bureau till the dispute is resolved.

All contents of the statement shall be deemed to be correct and accepted by the customer, unless the customer inform us of any discrepancies **within 21 days** of the date of the statement. On receipt of such information, Axis Bank may reverse the charges on a temporary basis. If on completion of subsequent investigation, the Bank is satisfied that the liability of such charge is with customer's account, we will reinstate the charge in a subsequent statement.
