How this plan works

Variant 1:

Example 1:

Mr. Gupta aged 35 years purchased Max Life Online Savings Plan (Variant 1) with the details as below:

Premium Payment Term = 10 years; Policy Term = 20 years; Mode of Payment = Monthly

Annualized premium = Rs. 50,000; Fund chosen: Balanced Fund; Cover Multiple: 10 times of Annualized premium

*Please note that the above assumed rates of return @ 4% and 8% p.a. respectively, for Balanced Fund, are only scenarios at these rates after recovering all applicable charges. These are not guaranteed and they are not the upper or lower limits of returns of the Funds selected in your policy, as the performance of the Funds is dependent on a number of factors including future investment performance. For more information, please request for your policy specific benefit illustration. Kindly note that the above are only illustrations and do not create any rights and / or obligations and the actual experience on the contract may be different from the illustrated. Benefits payable provided the risk cover under the Policy is in-force. The premiums mentioned above are inclusive of all applicable taxes, cesses and levies as imposed by the Government.

Example 2:
