

| Product     | Rate of Interest disbursed<br>JUL'20-SEPT'20 |         | Mean Rate |
|-------------|----------------------------------------------|---------|-----------|
|             | Min ROI                                      | Max ROI |           |
| Two Wheeler | 7.79%                                        | 28.00%  | 17.30%    |

**Note:**

- It includes various categories like fixed rate/floating rate as applicable and is based on factors such as loan amount, customer relationships, etc.
- Mean rate = Sum of rate of interest of all loan accounts / Number of all loan accounts.
