

Grievance Redressal Policy

Background

Customer centricity is one of the five core values of the bank. Bank believes that Customer Experience is the key to keeping customers happy and thereby ensuring a long lasting relationship with the Bank. Grievance expressed by customer serves as feedback mechanism for bringing about improvement in quality of service delivered to customers.

Axis Bank's Grievance Redressal Policy has been formulated in line with regulator guidelines on Customer Service. Policy outlines the framework for addressing customer grievances.

Bank defines a complaint as any deficiency or gap in service delivery towards the commitment provided to the customer. Complaints could be on account of breach in committed turnaround time or nonfulfillment of the request customer has placed with the bank.

Policy is made available in public domain (Bank's website & Branches).

Objective:

The Objective of the policy is to ensure that:

- All customers are treated fairly at all times.
- All complaints, requests and queries received from customers are responded with courtesy as per defined timelines
- Customers are fully informed of avenues to escalate their grievance within the Bank and their rights to escalate, if they are not satisfied with the response of the Bank.
